

TO6010ATB

60cm 10 Function Built-in Oven | Air Fry | Steam Bake | Dark Stainless

TECHNIKA
COOKING WITH PASSION

FEATURES AND BENEFITS

92L Capacity

Class-leading 92L capacity. Make the most of your oven with extra-large cavity space, providing more room to cook on multiple oven shelves and perfect for entertaining.

Steam Bake

The Steam Bake function combines hot air cooking with the benefits of steam, to bring out the flavour in food, cooking it more evenly and producing juicy and crispy results.

Air Fry

Delivering the benefits of an Air Fryer into a built-in oven. The dedicated Air Fry function helps to create perfectly crispy results without the extra oil, while saving space in your kitchen.

Soft Close Door

Fitted with a premium hinge system, the oven door closes softly with a gentle push, making it easy to close while your hands are full and prevents it from slamming shut.

Telescopic Rails

The fully-extendable telescopic rails glide smoothly in and out of the oven cavity. Perfect for handling heavy cookware or quickly checking the progress of your cooking.
