60cm 17 Function Pyrolytic Built-in Oven | Air Fry | Pizza Pro | Dark Stainless

**TECHNIKA**  
COOKING WITH PASSION

## FEATURES AND BENEFITS

### 92L Capacity

Class-leading 92L capacity. Make the most of your oven with extra-large cavity space, providing more room to cook on multiple oven shelves and perfect for entertaining.

### Pyro Clean

Cleaning made easy. The Pyro Clean self-cleaning function heats the cavity to a very high temperature, reducing grease and food splatters to ash which can be easily wiped away.

### Pizza Pro

The special Pizza Pro cooking function, combined with the dedicated pizza stone allow you to create delicious, authentic pizza's at home in just a few minutes.

### Steam Bake

The Steam Bake function combines hot air cooking with the benefits of steam, to bring out the flavour in food, cooking it more evenly and producing juicy and crispy results.

### Air Fry

Delivering the benefits of an Air Fryer into a built-in oven. The dedicated Air Fry function helps to create perfectly crispy results without the extra oil, while saving space in your kitchen.

### Telescopic Rails

The fully-extendable telescopic rails glide smoothly in and out of the oven cavity. Perfect for handling heavy cookware or quickly checking the progress of your cooking.
