

# TO6006ATX

60cm 6 Function Built-in Oven | Air Fry | Dark Stainless

**TECHNIKA**  
COOKING WITH PASSION

## FEATURES AND BENEFITS

### 92L Capacity

Class-leading 92L capacity. Make the most of your oven with extra-large cavity space, providing more room to cook on multiple oven shelves and perfect for entertaining.

### Air Fry

Delivering the benefits of an Air Fryer into a built-in oven. The dedicated Air Fry function helps to create perfectly crispy results without the extra oil, while saving space in your kitchen.

### Soft Close Door

Fitted with a premium hinge system, the oven door closes softly with a gentle push, making it easy to close while your hands are full and prevents it from slamming shut.

### Telescopic Rails

The fully-extendable telescopic rails glide smoothly in and out of the oven cavity. Perfect for handling heavy cookware or quickly checking the progress of your cooking.

### Digital Timer

The touch control digital timer can be programmed for a variety of timer functions, including cooking duration or end-time, which is displayed brightly on the LED display.
