

TCE6040K

60cm 4 Zone Ceramic Cooktop | Knob Control

TECHNIKA
COOKING WITH PASSION

FEATURES AND BENEFITS

Ceramic

Efficiently sear, stir-fry, boil or simmer with ease. Powerful heating elements beneath the ceramic surface deliver heat to the cookware, for all types of cooking.

4 Cooking Zones with 9 Power Levels

Four cooking zones with nine heat levels offer flexible control for everyday meals. Ideal for multitasking, from gentle simmering to high-heat searing, with consistent performance across a variety of cookware.

Knob Controls

Traditional knobs offer tactile feedback and intuitive control. A familiar interface that's easy to use, reliable, and perfect for those who prefer hands-on cooking.

On / Off Key

Simple touch control allows users to power the cooktop on or off quickly and safely, adding convenience to everyday use.

Hot Surface Indicator

Visual alerts show when the cooktop surface is still hot, helping prevent accidental burns and improving overall kitchen safety.

Premium Design

Ceramic surface with beveled edges, stainless trim and knobs styled to match the Technika built-in oven range delivers a polished, high-end design for a sophisticated kitchen upgrade.
