FEATURES AND BENEFITS

Ceramic

Efficiently sear, stir-fry, boil or simmer with ease. Powerful heating elements beneath the ceramic surface deliver heat to the cookware, for all types of cooking.

4 Cooking Zones with 9 Power Levels

Four cooking zones with nine heat levels offer flexible control for everyday meals. Ideal for multitasking, from gentle simmering to high-heat searing, with consistent performance across a variety of cookware.

Extendable Zone

Expands the heating area to suit larger cookware, offering flexibility for oversized pots and pans while maintaining even heat distribution.

Slide-Touch Controls

Modern slide-touch interface allows precise heat adjustment with a sleek, easy-to-clean surface. Ideal for contemporary kitchens and users who value streamlined control.

Cooking Timer

Built-in timer helps manage cooking durations for better results. Ideal for multitasking and ensuring dishes are cooked to perfection.

Premium Design

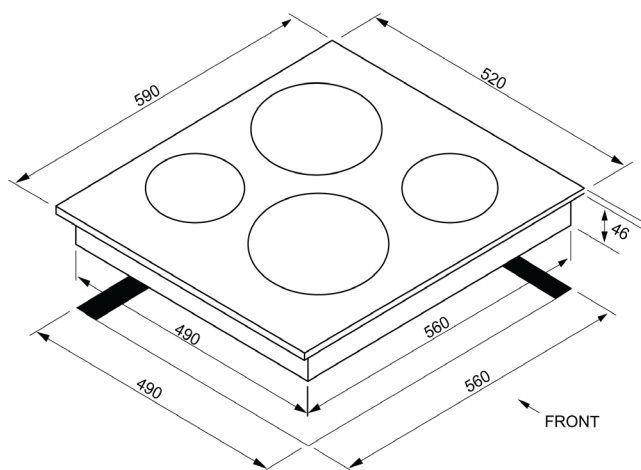

Sleek ceramic surface with beveled edges and dark stainless trim delivers a polished, high-end appearance for a sophisticated kitchen upgrade.
